

Jacob Drozdowski - Eagle Scout Project 2015

Sasha Bruce Youthworks is one of the largest and most experienced providers of services to youth in Washington, DC. Sasha Bruce helps young people find safe homes, achieve and maintain good physical and mental health, create and strengthen supportive and stable families, and explore opportunities in education and careers. My project was to build three new and repair six old picnic tables for the Sasha Bruce residence center on Capitol Hill to support their outdoor programs for at-risk youth. I arranged fund raising, researched table designs, purchased raw materials, coordinated the prep/cutting, and managed the onsite project. One of the highlights of the projects was the unexpected involvement of several of the youth residents.
